**Completion Instructions:** Introduce yourself to each of your immediate neighbors (neighbors across the back fence are good to know too) and invite them to exchange contact information with you. Give each of them a copy of this form so they can expand their Personal Neighborhood Watch Group just as you are doing. Encourage them to sign up with the Swenson Farms Neighborhood Watch to receive alerts and neighborhood news by contacting Mark Wehner at [mercuryman5@sbcglobal.net](mailto:mercuryman5@sbcglobal.net) or 512-252-8023. Thank you for helping to keep your family and our neighborhood safe !
